Dear JE  
Can I treat you for lunch at Carnegie ?  
December 15 is a great day for the meetings with Peter, Ray Bellem (Chairman of the BRDC ) and Bernie Eccolstone in the UK.  
I will have the talking points today finished as requested by Peter later today  
In the interim we are extending an invite to key members of the board of Silverstone and the BRDC to come to Homestead for the NASCAR final race as our guest.

Let me know about lunch today or really any day good for you
