Hello Brice,

We can reduce the number of Business Lines you have with us but it would have to be a minimum of 16 lines. I have attached a quote to support the 16 Lines and the features that you currently have with us.

Currently you are paying \$817.88 for these 23 lines excluding the features, Long Distance and taxes.

Please let me know if you have any questions or concerns.

Thank you, Char

Hey Char,

This is email 1 of 2, these folks are yours. I forwarded these two emails to Eric to see if we could do what they're asking, and I also pulled their info (attached). Please respond to him so he knows Zorro Ranch is your customer. Also, Brice Gordon's (copied below) email address is [REDACTED]

Rick,

Zorro Ranch near Stanley currently has a data T-1 and a Voice T-1 delivered to Sandia Crest, NM where we deliver services via microwave to Zorro Ranch. They currently have 23 voice lines and would like to reduce this number if possible to 12 voice lines. Could you please let us know what services are possible and the cost change so that we can get the system planner started for the changes to the switch. Brice Gordon on the email is the main POC for this information if you need to contact him the email address will work. I look forward to hearing from you soon.

Thanks,

Richard L. Boltz
