jeffrey, [REDACTED] just told me that she spoke to Annabelle today and that she is supposed to see her on monday, apparently she broke her nose, so i hope she's not in too much pain! [REDACTED] is very grateful and I want to thank you very much.
i hope that things on the island are progressing well for you

i'm so sad to read what you wrote the day i arrived in new york, and to hear what you said the evening of my operation as you were calling to 'see how i was'.

that you've turned me into some sort of monster in your mind who only cares for you if i get paid is so upsetting to me, and so wrong, it left me speechless.

i think that clarifying things between us , so as not to engender the same error is key
