> Jeffrey, I am overdue for my mammogram and ultrasound. ..I recd a phone call a minute ago saying they have a cancellation for both at 3:00 today! I took the appt but want to ask if ok to go. It is very difficult to get them together and I thought better to leave work early when you are not in town than to have to go twice when you are around. BUT if you need me let me know. I will rebook. I would need to leave the office at 1:05 to make the train back to ct and get to appt on time. Les
