There is a workshop being organized by Paul Davies on Templeton dough.. seems pretty marginal to me.. but it is Dec 10-12.. I will be talking as a part of it.. The workshop has the templeton-like title of something like : Is there a law of increasing complexity in the universe?

the origins of morality event we just had was better.. and just for jeffrey's info two more events

Origins of Life in the Universe workshop.. Feb 10-12 (tentative time).. associated with Visit of Sid Altman--Jeffrey committed a donation of \$100K to this program awhile ago

Science and Culture event April 8-11; events include Hawking, Herzog, Venter, j. Watson, and others..

Hello Lawrence,

Jeffrey requested I check in with you...he believes you have dates in Dec. for an event at your University??

Could you let me know!

Thanks, Lesley
