Good Morning

Pierre Jules asked if I would contact you in reference to a personal loan - \$1,500.00. His mother passed away yesterday, she had been in hospital for the last week, hence a number of hospital bills are looming. He is unable to travel back for the funeral, but his brother will be leaving today, a flight that Jules has paid for.

I know that the policy has been no personal loans, which I did explain to Jules, but he asked if I would still forward this request and would have the payments taken directly out of his wage at up to \$500.00 per fortnight.

For your consideration

Warmest regards
