Dear Jeff -

Clarification re WEF , sorry with this miserable day it took me longer to access all the detailed documentation than I thought.

I'm still at Fedex. Power is NOT back up at home therefore STILL NO INTERNET :-(

Above, please attached for your interest and review:

i) The full program of WEF MENA in Marrakech October 26 - 28, 2010

ii) The Attendee List by Country (provided in this format by WEF)

iii) Supporting Letters/Docs for WEF:

Letter of Invitation and confirmation of reduced WEF Fee and Hotel and Payment Details

Letter Confirming WEF Forum Reduced Fee of \$3,500

Letter of Invitation to Speak and Details

Confirmation of Holding Hotel Reservation (the cheapest there at 200 Euros per night) for 800 Euros = \$1,116 U.S. at today's rate

Confirmation of Travel from LAX-RAK-TLV-LAX (LA-Marrakech-Tel Aviv-LA PAID FOR ALREADY BY A SPONSOR. (\$2,669)

Jeff, I have managed to find one sponsor who has kindly TODAY paid my airline ticket at \$2,669 that you can see above and in the supporting

documentation. He (Dan Gould) is a successful young internet entrepreneur who has much admired my work over the years and wants to assist me to be able to take up this opportunity at the WEF.

Therefore, the travel part is done and if at all possible, I am seeking the WEF fee of \$3,500 + the basic hotel fee (the cheapest I could get in Marrakech, attendees are captives of the hotel system there) which is \$1,116 at today's dollar rate - for a total of \$4,616 instead of the original larger amount of my earlier email.

If this is possible for you - the fees can be directly paid to the WEF (details on the Supporting Letters document) -

Thank you so much in advance for considering this much greater detail that I have now supplied.

As of 8pm tonight the power and internet IS STILL NOT BACK UP GRRRRRRRRRRRRR

Verizon comes between 8-10am pst tomorrow am to fix the internet if they can....

I'm still at Fedex.... :-(

Thank you , Jeff !

Isabel

Dear Jeff,

I've been invited to be a panelist at the distinguished World Economic Forum MENA in Marrakech this month (as you can see from the invitation email below) but despite my very best efforts I have been unable to raise the necessary funds to go as this is a very important opportunity for me - They have been unwilling in spite of their invitation, to lessen their fees so I am in need of a total of \$7,000 to go.

Would there be any chance at all that you would be willing/able to help me with this, otherwise I will simply be unable to go? If so, I will need to give a credit card to them by Tuesday latest.

Thanks for even considering this-
Yours,

Isabel

The Next Innovation Drive: Low Carbon or Low Cost?
Wednesday 27 October 17:00 - 18:30
Palmeraie Congress Centre, Oliveraie

Energized by expanding emerging markets, advances aimed at lowering the cost of technology and services are challenging the prominence of low-carbon innovation.

Which of the innovation drives will define the order of business strategy in the coming decade?

The session will include:

Discussion Leaders

Helmy Abouleish **, Vice-Chairman and Managing Director, Sekem Group,
Egypt

David Appia **, Ambassador of France for International Investment;
Chairman and Chief Executive Officer, Invest in France Agency, France
Bashar Arafeh *, Chief Commercial Officer, Zain, Kuwait
Isabel S. Maxwell, President Emerita, Commtouch; President, Blue World Alliance, USA
Francesco Serafini **, Executive Vice-President for Emerging Markets, Hewlett-Packard Company,
Switzerland
