Thanks for the flight. I am just driving back from TEB.  
There is a lot more that can be done on the plane to make it nice so I'm planning  
to come back for another day and finish it all up.  
How do you feel about getting rid of the old VHS tapes? I can get you DVDs  
instead or download some movies to the ipad so you don't have to get out of your  
seat to turn it on the screen
