OK.

FYI - John never got a copy of the letter Farkas was going to write to Ed detailing all the promises he (Ed) made.

Warm regards,

We have now officially been sidelined again by wico and ed thomas. We are preparing a suit against wico and the government for \$500mm for breach and bad faith under the lease. We have finished waiting for the fulfillment of false promises. They have institutionally and programmatically mislead us, fraudulently induced us and damage our investment almost immeasurably. This will have an enormous impact on the usvi I am sure, but we have no other recourse.
