Jeffrey,

We have made a comprehensive compilation of everything about you that is on the web. There are a number of articles, which are defamatory and libelous. I will be providing you links to these websites and articles. You can not write "Jeffrey Epstein is a crook." etc. This is not a proven charge. Therefore, you can get your attorney to send them a letter to have them instantly remove the article from the web and its cache. That would be a way to get rid of some of the worst over-the-top stuff that is out there completely.
