i haven't had any moment to discuss this all with al.  
i want to tee it up for you but it is difficult to find his space at the moment  
so i don't want to keep you hanging if you are ready to move forward.  
i can try to re-activate towards the end of the week if possible.  
best,

Oh absolutely. When do you want to do it? I arrive in nyc on monday. If you want  
to come monday night to the screening? I'll tell peggy. Failing that I can ask  
him if he wants to meet up later in the week.

I do know he is submerged with the play rehearsals this week but if it is  
important to meet separately I will see if he can make time.

Would definitely love to do it together.

Let me know what is best for you.

Has anybody hit you up for anything, do they need anything- what is the context, etc.... I will make all efforts I can.

Nick

Hi Jeffrey- sorry I'm not sure I understood your question. If you mean is al  
around to show the film Saturday- he is deep in rehearsals for the merchant of  
venice. But if you want to see the film perhaps peggy can arrange for it on  
Monday night? If not, let me know when and I'll try to set something up. At the  
moment I'm trying to capture Al's attention myself for my project as he is buried  
in work... So just let me know.

What's new?

Best,  
Nick
