Steve pinker was kind of cute. :)

At the public event there were probably 500 cute coeds. :)

For me it was probably Steve Pinker or Josh Greene.. former spoke on violence reduction over history.. latter on some fascinating neurobiological experiments related to moral dilemmas... the public event (sorry, I know you hate them) tonight was also very good.. you will be able to see the discussion, which I thought was at a fairly high level, online in a week or so. 2000 people paid to come listen to us!
