I need to confirm the schedule for the next visit, so I can book the air fare. We have two options for travel from LA, and I need to know which meshes better with your plans:

Option 1: We leave LA on Monday evening, arriving in St Thomas on Tuesday afternoon (with a couple of transfers – this flight does not go through Newark any more). We could spend Tuesday afternoon, Wednesday, and Thursday morning meetings. We fly back mid-day Thursday.

Option 2: Tom and I can leave LA Monday morning, arrive in St Thomas Monday evening. Could spend meet Tuesday and Wednesday, and return mid-day Thursday.

If you have no preferences, we will book whichever meshes better with our schedules.

Gary, we will need two rooms in St Thomas.

Thanks,

Warwick
