I just received the email below from Sherry at Jack's office. Seems that they had to pay McIntosh, Wackenhut and some other things and are negative \$10,000. Should I have Rich wire some money? If so how much?

Hello,

I hear you are on vacation. Sorry to bother us, but I need money (I sound like a wife)! I had to pay McIntosh, Wackenhut, and other stuff. I am overdrawn by \$10,000.00.

Let me know.

Sherry
