Subject: LSJ Insurance claim

Just spoke with our agent Tracey from Herb Wolman's and they are continuing to fight the debris removal portion of the claim that was not paid amounting to 84,919. Although debris removal is not covered in the insurance policy they feel confident that they will get a portion of that paid but not the entire amount. They would not quote a number but I am hoping for another 25,000-30,000 to be paid.
