Mr concerns are as follows. you asked for funding for a meeting with Dawkins Venter, Pinker. , I raised early concerns with now involving devolpoement peoplle from the university, conceded as it was important to you. , then concerns over no real agenda, then concerns over the fact that questions regarding scuba and restaurants were being asked , rather than agenda , then as people started to drop out. fillers were added to the already heavy list of fillers, added to development people, and then last minute , do you want a weekend in the caribbean guests. I have emailed and called for over three weeks , to discuss, only yesterday, did it happen. The Foundation , is an important part of a larger science strategy. I relaize you are very busy with you personal life. and will support , and have tried to support you as a friend. nothing precipitous will happen without , our speaking,
