[REDACTED] says you kindly offered to help pay for her point shoes. For 12 pairs it is around \$575.00...this does not include ribbons and elastics...ribbons and elastics would be an extra \$77. She doesn't want to ask you for too much and says if you want her to order less she of course can and she could pay for the ribbons and elastics.

Let me know how much you would like me to pay for.
