**Subject:** U.K. Coalition Suffers Blow as Key Minister Steps Down

what do those guys drink over there?

WSJ.com Mobile Reader user [REDACTED] wanted you to see this:

["U.K. Coalition Suffers Blow as Key Minister Steps Down"](#)

Less than three weeks after its formation, the U.K.'s coalition government suffered an embarrassing setback when a top government minister resigned his post after questions were raised about his use of parliamentary expenses to pay rent to a lover.
