Thanks – I will.

You should join when we go out in NYC. I should know more details in a week or so and will let you know.

Sometimes things are changing so often and so quickly for example – today our Korea's trip G20 just got canceled!

Welcome back home.

Talked to Melanie earlier in day re her surgery. We should help her choose the shape and size (of course bigger means better).

Emotionally I think she might have some hard time handling it. I do not quite understand it - That I have an option of getting a horse dick so easily, you bet I would not have an emotional issues ;)

However, we will be there to support her and cheer her up.

Talk to you soon!

B
