Jeffrey,
Boeing estimate:
Newark to Shannon 5+40
Shannon to Abu Dhabi 7+00
total one way is 12+40min
round trip estimate is 25 hours,
25 hours x 1200 gallons per hour at \$4.85 estimate price:
30,000 gallons of fuel: \$145,500.00

Rich, my notes indicate \$156,241.00 for EU coverage for Boeing to Europe, do you concur?

Universal Houston will fwd me a cost estimate for handling, airway routing expense, parking etc.
just for starters,
thx'
Larry

Gulfstream burns 600 gallons per hour, EU insurance \$5,500.00
