Hallo Jeffrey!

I stumbled across your 2 websites

(<http://www.jeffreyepsteinscience.com/> & <http://www.jeffreyepstein.org/>) and my [REDACTED] MBA should've been up there as one of your philanthropist charities! :)

The websites are well-structured and informative even though I don't have much respect for science professors. The faculty I work with is at best mediocre, but think they're gods because they're highly overpaid to come to the desert.

Let me know when you're coming to Abu Dhabi!

Much love.
