hi Jeffrey!

How are you?! please let me know when you are in New York next and have a free moment to meet with me - I want to show you something that I feel is important for you to see... highly confidential !!! between you and me only. you know I think the world of you and you may brush it off but I don't feel comfortable not informing you and yet I don't want to get in trouble for sharing it with you.. so it must remain confidential.. let me know when I can stop by...

hope you're well.
all my love
