H [REDACTED] unfortunately Kevin cannot do 5:00pm. He has a doctor's appt at 4:45 that he cannot miss. He can be flexible, but 5pm will not work. If there is any way to keep the 3:30 we'd appreciate it.

Let us know, thanks!

Hello Kevin. Jeffrey is asking if you could come see him at 5:00 now...are you able? I'm sorry, it's just one of those crazy days!
