I remember Pablos stating "I know guys who do this for a living." What he was referring to, was these firms that specialize in this sort of thing. The whole approach was completely unknown to me at that point, and it only stemmed out of a conversation between the two of us, of how to help your online presence.

Now, I do not believe that what WE are doing is "bogus." You have absolutely NO good references on yourself on the web at all, nothing for you to point anything to, and all that is out there, is very bad. Now, you have something that is overwhelmingly positive, a site of real substance, reflects well on your presence and person, and something you can immediately point people to.

So, not at all bogus, and not a single person that I have shown it to, who actually knows you, thinks of it as anything the best thing for you. However, if you personally can't be pleased, and you dislike my effort so much, and are continuing to hold both my honest and good intentions against me, as well as my work product, I will stop. Your decision Jeff.

I think that would be a mistake, but the choice is entirely up to you.

Are you available to talk or not?

I am not interested in any more dressing down.

best,  
me

just let me know.

it was the fact that there was never any suggestion , inkling, possiblity of me going to one of the many retail firms,, so that if the only place and method that pablos suggested was goign to buy things from a well known firm , then the whole idea is bogus

BTW, you scolded me on Saturday for sending you stuff on other reputation management firms. I never sent you stuff until you specifically asked for it. I didn't think it was that interesting or helpful in the first place, which was why I didn't send it along in the first place. See the correspondence from you below.

Here is one email I received from the leading firm on reputation management way back when, and came though Pablos's connections, when another group didn't have the time, and another one was too expensive..

Hello Al,

Upon assessment, I'm afraid we have some concerns about working for this prospective client.

We have no problem helping someone who is innocent of accusations or a true victim of circumstance, but if there is truth to these allegations and the conviction, I'm afraid we'd have to pass.

Do you personally know how much of these allegations are true?

Sincerely,

Gregory Markel
