Jeffrey,

As of today I am number one producer at the company. I have 10,800 gross fees. I beat my manager by 2000. Of course these number change daily, as other people bring in deals, but its nice to see what I can accomplish. That means my paycheck for Oct is already 4480 and its just beginning of the month! :)

Also I went to CT this weekend to visit [REDACTED] for her bday. She look beautiful, she has long wavy hair and reminds me of Naomi Cambel. She is doing very well with her salon and is in great shape after having a baby. She is an amazing girl.

I will send you photos of us.

Miss you. Hope to see you soon.

Love
