Spoke to Philipe. He is very happy to cut the hair of 4 of your friends...he knows he has a 5:00 and a 5:30 on Tues. at the salon. He could take the girls at the salon Tues...or he can come to the house possibly on Thursday (he thinks)...his girlfriend gets home Thurs and will be able to help with his son...giving Philipe more flexibility.

We need to check in with him next week..
