Here is one email I received from the leading firm on reputation management way back when, and came though Pablos's connections, when another group didn't have the time, and another one was too expensive..

Hello Al,

Upon assessment, I'm afraid we have some concerns about working for this prospective client.

We have no problem helping someone who is innocent of accusations or a true victim of circumstance, but if there is truth to these allegations and the conviction, I'm afraid we'd have to pass.

Do you personally know how much of these allegations are true?

Sincerely,

Gregory Markel
