then --  
may I speak with Marty about this when I see him next week?  
happiness? meaning? reputation? power?  
some mix?  
I'll also tune into his topic for this symposium -- flourishing.....

I think to do one of these that also includes the political sociologist (who had the suggestions for you) could be great -- you'd have casual conversation time with her....

More time to catch up next time.

Two books you might enjoy:  
Honest Signals by Sandy Pentland  
Power of Play by Stuart Brown

Seeing Seligman next week.  
Have you already done a symposium with him or is it something you still have some interest in?

Thanks again for 301. LOVED it there.
