Bronfman's office just sent me an email following up in regards to you meeting up with Ron Senator and Matthew Oct. 12/13. Below is original email:

Mr. Bronfman asked that I reach out to you. He would like for you to meet with him and a gentleman named Ron Senator, CEO/Founder of Sphera Fund. Matthew feels he is a brilliant money manager. This meeting wouldn't last for more than half an hour and Mr. Senator and Matthew would be happy to come to your offices – or wherever would be most convenient for you. They both have availabilities on October 12th and 13th. Please let me know if there is a time on either day that works best for you.
