I have booked you on a first class, fully refundable ticket on Emirates to Dubai and Sarah a business class, fully refundable ticket to Dubai. They had no available connecting flights to Abu Dhabi (sold out). However, Emirates will provide, free of charge, a chauffeured car to Abu Dhabi which is about a 2 hour drive. The Emirates rep said you would spend at least that long waiting for your connecting flight and dealing with the airport anyway. I could not book the car as of yet because they must have a destination address in Abu Dhabi. (She suggested calling back as soon as we can with an address so we can book the car right away)

The flight departs Thurs. Nov. 4th at 11:20am and arrives Dubai at 8:05am on Friday Nov. 5th. JE has an aisle seat : 2E and Sarah has a window seat: 10K. I purchased the last first class seat available.

JE ticket: \$9363.10

Sarah's ticket: \$6189.10

WE need to book the car! Please let me know a destination or address...they would not accept an "as directed"
