Dangene is completely booked all day long and cannot move things around unfortunately. We were able to all come up with a 3-4:00 availability tomorrow for all 3 of you...would this be ok for you? I would need to move around some other things slightly...could make Steven Hirth 2:00 and Jessica Banks 1:30 (if you want to see her)...and have [REDACTED] meet you at Dangene's...
