Subject: public lecture

Cecile:

I can come in on the morning of the 10th instead of the 11th if you would like the lecture either later in the day on the 10th or the 11th instead of the 12th... so let me know what you and jeffrey think is best.... currently was planning to arrive 1247 pm on the 11th.. I could, in principle lecture later that day (though I will have taken the red eye to get there).. Let me know as they are booking the ticket tomorrow I think.. Also, if I have to come in on the 10th we will need to get me an extra day either at condo or the hotel.
