Hey Jeffrey,
So nice to know that we will see you in Paris and thank you so much for sending your driver.

I will keep you posted and confirm my flight arrival later on in the week. I am trying to get on another flight later in the day instead of the one I am scheduled on. Will keep you posted. **By the way, my flight arrives on Saturday Oct. 9th, NOT Friday!!**

Thanks again and looking forward to seeing you!!

Sam
