Yes she is.

Ok, i never nagged as much as you are nagging now. Can you please stop.

[REDACTED] told me you wanted me to take some fountain pics. You could have asked directly, I just sent them to you. Let me know if you want different angles.

I believe i said thank you for letting me use the ranch. I couldnt imagine a more beautiful, amazing place and i appreciate being able to spend time here.

If you want me to name every activity and say thank you separately for each, i can do that too. But really it just seems you are trying to find anything to pick on...

Thank you
