I'm really happy I came!

Now i sleep in front of the computer at office hehehhe, but it was worth it 100%.

Have no idea what's next...

Yesterday you didn't told me the second choice I had...just the first one,,,that I'm already on it!
I just have to tell you, that I don't care about anything else if I can be succesfull (no bf, no money, no nothing). And I don't wanna be in the shadow of a man...maybe that's a reason why i date a younger man...because I want to be in control of the relationship, and not because I'm crazy...or this is a crazy concept?

I hope you rested well last night!

kisses
