Subject: PR Palm Trees Urgent

Jeffrey,

Gary and I have discussed this issue and we agree that Tropical is the best option and we need to speak to ASAP to explain why this option is best and the most cost effective with getting the least amount of stress on the trees.

The trees are being dug up today and we need to mobilize the trucks today in order to pick up the trees on Monday.

Please let me know when we speak to you

Thank you

Emad Hanna
