You have 10:30 with Zeff and hopefully the 12:00 with Terje Roed-Larsen. Security and blocked roads are crazy around the UN this week. I am thinking you will need ample time to get to the UN and get yourself inside. I don't know how long you need with Zeff, but should we ask if they can come at 10am just in case? (I had to leave a message for Maureen at Giuliani's but will request 8:30 or 9am for breakfast on Wed.)
