F,  
I've been faithfully pinging Barnaby -- the weekend could have worked, but on June 7, he has advisory board meetings, and that schedule is crazy full. Looking for next opportunity.

Meanwhile, at this point, Sept 30 works for Tom and Margot, but not for Barnaby. Should we go for a "retreat" in NY that weekend with Tom and Margot, or wait until we can also get Barnaby in the mix?

Dear Linda-

The schedule is now rather full. Let him know that, and the we should keep an eye out for the next opportunity.
