Jeffrey,

I'm coming on Monday. I had to cancel my job here because I [REDACTED] wanted to have a shoot with me on Monday. It will be shoot for fashion magazine, story about [REDACTED] models and the best models of the agency. Something like that. So i have to do it!

Shoot starts at 12.00 for some hours. Do you think i will have a chance to see your friend? What time he is leaving?
