Yes, I agree...I was speaking with maureen at Giuliani's office (she is going to check with Giuliani on breakfast..he is supposed to drive to Albany Wed., but she thinks breakfast just may work)...

And yes, I asked Bill to have the Voicemail disabled last Friday...I checked it at the end of the day and it was still connected and I let him know...I checked it again this morning and it is still connected...I immediately let Bill know again and he is working on it!

Do you want to use your 4<sup>th</sup> line to call me? [REDACTED] I just checked and it does ring...I'll always know it's you calling and attempt to put whoever I am speaking with on hold!
