Subject: Senator Mitchell/Larry Summers

I know you still have Senator Mitchell and Larry Summers on your radar. I have emailed Senator Mitchell's assistants several times as well as actually called and spoken with them...I have also sent Larry Summers some emails as well.

Larry has responded back a few times saying he would let us know when he comes to NY.

Senator Mitchell's office takes the messages but I have not rec'd a msg back re when he might be in NY (we did receive msg back that he would not be able to attend the Sept. 18th party)

I will touch base with both Senator Mitchell's office beginning of next week as well as Larry Summers (unless you did not wish me to do so).

Les!
