hello jeffrey,

you can imagine the time of reflection this is for me.

the premises i organized things upon are no longer under my feet and they need to be reassembled in a way that is more congruent. its truly foundation shaking but obviously quite essential.

im going to write an email to melanie , what she does is extarordinarily fascinating and imp. i would like to accept your offer to get me back to new york.

naturally if there is anything i can do or bring from london i will.
