**Subject:** Tom Pritzker fyi

I emailed Tom Pritzker and spoke to his assistant, Lana, re the Barak dinner. She let me know that Tom will be getting home from China this Sunday. He has been travelling for 6 weeks and has a lot of catching up to do...just so happens, he does have plans to be in NY but for Wed. 22<sup>nd</sup>. She said I will probably not receive a response back from him till Sunday night or Monday....
