Jack said that 9:30 doesn't work with him. He checked his schedule and has hearings all morning that he can not get out of. Jack said that it would have to be in the afternoon. Any time after 3pm?

Bruce Rogow can meet with you and Jack tomorrow before 12 or after 3. Jack has to go to Orlando after the meeting. Jack would like to ride down with you to Bruce's office in Ft. Lauderdale so he can catch a flight to Orlando from Ft. Lauderdale airport after the meeting if that is ok with you?
