Hi Lesley - heard you requested tickets. Are these for Jeffrey himself or someone else? I am asking because everyone already has their seat assignments! So in order to add someone I have to "demote" them from a seat. Jeffrey is like family so if its for him to attend personally I can move a friend or family member out of a seat, but if its for other people, I might need to put them in standing and then move to a seat if it opens up. Can you let me know?

Thanks,
Priya
