Morning Brice! Do you know anything about Fancelli and JP Molyneux going to the island? I show they were to have been on the island Oct. 6th but I don't think this happened. I have asked Darren, Sarah and left message for Doug, but no one seems to know anything. Can you enlighten me? Is there another date set? Or do you know anything that is going on with them? I just want to ask everyone before I go to JE.

Thanks so much, Lesley

(and I hope the weather is not too bad out there)
