Janusz is set to pick up Mohammed Sharaf from the airport Friday night and
picking him up Saturday at 10:30am from the Ritz to bring to your house. I've
told Mohamed to bring his bags so he can go directly from your house to the
airport. He should leave the house at 1:45pm.
FYI, regarding the trip to LSJ on May 31, it's Memorial Day and the crew will be
off that day. (I would also assume that FTC will also be closed Monday)
