Title: Yum Kipper

Will call you tomorrow...we will deal.

Re. Caterer and florist...should we totally cut back but test them out anyway for small dinner. When can I call you. I am taking off for London now...land in the am and have a flt to Venice landing 11:00am Venice time Wednesday.

I think we can go over the list and discuss a bit. I can make some calls for you and keep small. xoxo Peg
