Do you wish me to call Fancelli's office on Monday to confirm? Is this enough confirmation from JP's side?

Hello Lesley,

Mr. Molyneux forwarded your message to me. We have an approved date of September 23 but we cannot get the backup confirmation from Fancelli's representative and the possibility of modifying the date because their office is closed today (and yesterday) for the Jewish holiday. Please feel free to contact Fancelli's representative directly.

Thanks,

Hello JP...sorry to bother you...were you able to confirm to me in writing the date of arrival of your people? (and if you have spoke to JE I'm sorry...he has not mentioned to me and it is my job to keep following up!)
