hi Jeff. fyi I'm back at the house now, functioning like a normal 'connected' human being again finally -

I trust you got my earlier detailed email with the Wiring choices and amounts etc. that i sent from the fedex place earlier this morning -

Do you need any more from me re the WEF fees/hotel fees for wiring?

Did you decide whether you will wire them in two separate amounts to the WEF and Publicis' banks respectively

or did you decide to wire all direct to my WF Bank so I will pay them myself as soon as it hits??

I AM totally committed and my plane tickets are already purchased and ready -its a bear of a journey, but the best that can be done at short notice on a very slim budget.... and I'm up for it. And very grateful that it can be managed at all.

Again, as the brits say, you are a real brick and I greatly greatly appreciate this kindness from you. It means a great deal.

xo

Isabel
